

Anderson, Armocast, Barfield, Fargo, Ohio Brass, Opti Loop, Pencil, Trinetics, Turner Electric, USCO, CPI, Reliaguard, Reuel, and Green Jacket.

Overhead & Padmount Transformers, Voltage Regulators
Medium Power Substation Transformers (10 - 60MVA, Voltage Rating Through 230kV)

Bare & WP Overhead - AAC, ACSR, ACSS, AAAC, Sim Pull CIC Control Cable Service Drop - Aluminum, Copper, & High Voltage Underground - 15-35V TRXLPE

Smart Distribution Automation Controls - Transformers, Regulators, and Capacitor Banks
Technical Services & Solutions to Meet the Needs for Customers

MicroTechnology (MicroDuct & FuturePath); HDPE (corrugated, smoothwall, smooth out/ribbed in, NEMA TC7, UL 651A); Specialty (Pinpoint, Figure8, Armor Guard, FlexDuct)

Compression & Mechanical Connectors & Terminals Submersible
Underground Connectors, Transformer Connectors

Sales Representative
Grid Solutions

SF6 Circuit Breakers (Dead/Live Tank) up to 550kv, Line Traps & Reactors up to 800kv/5000A,
High Voltage Instrument Transformers

Utility Fixtures (Cobra Heads, NEMA Fixtures, Floods, etc.) LED & HID Options

Modular & Singular Composite Poles - Provides a Lighter, More Durable, Longer-Lasting, and Environmentally Friendly Solution Over Wood, Steel, and Concrete Alternatives.

Utility - Cable Slitters & Strippers for Jackets and Insulation Fiber
Optic - Cable Stripper, Slitters, & Inspection Kits

Fiber for Broadband & Telecom, Outside Plant LT Armored & Non-Armored, Central Ribbon, Micro Cables, ADSS and Drop Cables. OPGW, ADSS, & Specialty cables for Power Sector.

Fiber Distribution Hubs, Panels & Terminals, Network Interface Devices, Patch Panels, Station Protectors, DSL Protectors, Filters, and Splitters.

Offering services in: AR, LA, MS, and W. TN

Office Locations: Lafayette, LA and Malvern, AR
